Trustees, Custodians &
Investment Managers

Our lawyers have experience and expertise in the area of regulatory compliance and provide the following services:

- Advise on qualified and nonqualified pension and welfare plan compliance matters
- Perform compliance reviews on our clients' employee benefits plans and internal benefit and compensation practices and procedures to determine compliance with the Internal Revenue Code, ERISA and the HIPAA portability, privacy, security and electronic data interchange rules
- Represent our clients before various governmental entities in connection with examinations and audits, Employee Plans Compliance Resolution System ("EPCRS") matters, prohibited transaction exemptions, Voluntary Fiduciary Correction Plan matters, minimum funding waivers, requests for determination letters and private letter rulings
- Advise on investment policies and ERISA fiduciary issues associated with the investment of plan assets and determination of plan benefits
