Death

One of the fastest growing areas of litigation is product liability law. Our firm has significant experience in the defense of these lawsuits through our regional and national representation of numerous manufacturers. We are involved in the oversight and management of claims and claims prevention and risk management to assist our clients in preventing costly litigation.

We further act as national trial counsel for several product manufacturers in defense of claims asserted against them. We provide ongoing legal advice on various notification and sales issues such as warranties, disclaimers, recalls and pre-litigation accident investigations and accident reconstructions. Our experience includes:

- Consumer products
- Machinery
- Motor vehicles
- Aircraft
- Elevators
- Electrical equipment
- Industrial machines and equipment
- Power man lifts
- Chemicals
- Fire and explosions
- Construction equipment
