Keating Muething & Klekamp offers assistance in growing companies, building economic development programs, and enhancing communities through private and public initiatives. Through the firm's subsidiary, KMK Consulting Company LLC, we offer experienced and professional advocates to drive the objectives of our clients.

Because of KMK Consulting Company's national track record of success and the depth of our partners, we are continually called upon to work on the most challenging, creative and rewarding projects. Our goal is to facilitate business expansion, stronger private sector leadership, and more responsive, forward-looking community development organizations.

We also work to help communities come together to create significant new community assets. Projects that enhance communities and regions for generation are only successful when they spring from the broadest spectrum of civic involvement. We are proud to have the opportunity to help create such assets across the country.

KMK Consulting Company's Economic Development Solution Group provides services in the following areas:

- Site Selection
