EDUCATION

J.D., Salmon P. Chase
College of Law, Northern
Kentucky University, 1996
B.S., Thomas More College,
1991

Mr. Meyer's practice involves all areas of environmental law, including transactional matters, compliance counseling, and litigation pertaining to air pollution control, solid and hazardous waste management, Superfund, wastewater, and storm water discharges and hazardous materials transportation issues. He has experience in defending environmental enforcement actions and challenging actions by state and federal regulatory agencies on behalf of clients.

Mr. Meyer also has experience with insurance regulation, including insurance company capitalization and licensing, reinsurance, sales practices, pricing, and claims handling.

Prior to joining Keating Muething & Klekamp, Mr. Meyer was an associate with Frost Brown Todd, LLC. From 1997 to 2000, Mr. Meyer was employed as in-house counsel for Nationwide Insurance Company in Columbus, Ohio.
