

CURRENT OPENINGS & CONTACTS

As is true with most service organizations, identifying, hiring, and retaining bright, energetic attorneys is critical to the firm's success. We are continually looking to add attorneys who fit this profile and who are looking for a career opportunity, not just a job. The positions listed below address our existing needs, but are by no means the only ones for which we may hire. If you are looking for this kind of opportunity and have the qualifications, we would like to talk with you.

APPLICATION PROCESS

Highly qualified candidates are encouraged to send their resume, cover letter, and law school transcript to KMK for consideration.

Please indicate in your cover letter which position you are applying for, as each KMK Practice Group hires specifically for their group. If you are applying through our Lawcruit site online, please indicate your Practice Group preference.

You may send your application through e-mail to lawcareers@kmdlaw.com or directly through Lawcruit by clicking [here](#).
