YOU ARE INVITED

Learn How New Markets Tax Credits Stimulate Growth.

Nationwide, over \$34 billion of New Markets Tax Credit capital has been invested into thousands of businesses and real estate developments since 2002. Please join Chase Community Development Banking, Plante Moran, and KMK Law to learn how to access New Markets Tax Credits for your qualified business or real estate development. These unique tax credits have helped developers and business owners gain access to a low-cost source of capital to solve a portion of their capital needs while creating significant community and economic impact in distressed areas. Please join us to learn more about the New Markets Tax Credit program and find out if your project or business qualifies.
