Remembering our friend and founder

The Partners and Family of KMK Law mourn the loss of one of the firm's founding Partners, Gary P. Kreider.

Gary Kreider practiced law at Keating Muething & Klekamp for more than 50 years where he concentrated on securities laws, mergers and acquisitions, and general corporate law. He also served as an adjunct professor of law in securities regulation at the University of Cincinnati College of Law.

Gary Kreider's contributions to the legal profession are numerous. Gary served as chairman of the securities subcommittee on real estate syndications for the American Bar Association from 1977-1979. He served on the executive committee of the Cincinnati Bar Association from 1969-1971 and as chairman of the Corporation Law Committee for the Ohio State Bar Association from 2003-2004.

Gary Kreider also served as trustee of various trusts. He served as a director of LSI Industries and board secretary for Meridian Bioscience, Inc.

Gary Kreider served as president for the New Richmond Ohio Board of Education, governor and secretary for The University Club, and director and treasurer for The Travel Club of Cincinnati.

Gary was an incredible lawyer and an invaluable mentor for many of us at KMK Law. We continue to enjoy a special reputation in our corporate and securities practice in significant part from Gary's efforts.

Gary was a wonderful person, friend, and partner and he will be dearly missed.
